Summary of Benefits Chart

Your Minuteman Health PPO Plan

This chart provides a summary of key services offered by your plan. Your Policy/Member Agreement has a full description of your plan's benefits and provisions.

Please note: for Out-of-Plan services, you may be responsible for any Remaining Balances. A Remaining Balance is that portion of an Out-of-Plan Provider's charge that is above MHI's Maximum Allowable Fee.

Note about Prior Authorization:

Some services require Prior Authorization. These services are marked with “#” in the chart. In some cases, if you do not obtain Prior Authorization, benefits may be denied and you may be responsible for all costs. (See, for example Diagnostic Imaging below) In other cases, if you fail to obtain Prior Authorization you may have a Reduction of Benefit up to the amount indicated below. (For example, Acute Hospital Care below). Remember that exclusions or limitations of this plan will still apply, even if you ask for Prior Authorization. For example, services that are not Medically Necessary are not covered, even if you ask for Prior Authorization.

	In-Plan Providers	Out-of-Plan Providers
